Following is a list of names of Army, Navy and Merchant Marines, that will be placed on the Soldiers Memorial Monument which is completed with the exception of inscribing the names.

Funds have been raised to pay the entire cost of monument and placing of same.

Mr. Job M. Smith, our local undertaker, and proprietor of "The Lakeside" hotel has granted the right to place the monument on a plot of ground on his premises by the Lake and will see that it is cared for, for which the King's Daughters, who have this in charge and their friends, are extremely grateful.

The names which will be placed on the monument are:

PRESBYTERIAN CHURCH NOTES

Morning service at 10:45; preaching by Rev. Fred Matthews, of Booneville, Ark., Sunday School at 12 M. Evening service 7:30 P. M.

Rev. Fred Matthews, of Booneville, Ark., who is a candidate for the pulpit will preach both morning and evening next Sunday. Miss Matthews will accompany her father and will sing at both services.

Notwithstanding the unfavorable weather last Sunday there was a good attendance at both morning and evening services. The solos of Mrs. Gertrude Brown, of Philadelphia, were greatly appreciated. The Choir, under the direction of Mrs. T. Wilmer Speck, had prepared special music, which was highly complimented.

It is desired by the Session that a large attendance be present next Sunday to hear Mr. Matthews.

M. E. CHURCH NOTES

Next Sunday morning at 10:30 the pastor, Rev. Daniel Johnson, will preach from the subject "The Twelve Spies of Israel." The evening subject will be "The Tragedy of a Great Storm."

Services during the week and next Sunday as usual. Everybody invited and all are welcome to attend.

New Gretna

The dinner has been thrown open to all and is expected to mean that there will be a large gathering from all parts of the county.

Dr. Keeler's New Car Stolen

While visiting relatives and friends in Philadelphia, over the Easter holidays, Dr. H. G. Keeler, of Atlantic City, formerly of Tuckerton, had his new car the "National" stolen while parked in front of the residence of his niece, Mrs. Herbert F. ratner, formerly Miss Lina Parker, of Tuckerton, at 4440 N. 18th street. The doctor was accompanied by Mrs. Keeler and his children.

Police quickly recovered the stolen car on Monday and arrested a man working on the stalled engine. He gave his name as James P. Duffy, twenty-six, Cresson street, near Rector, Manayunk, and was held in \$1,000 bail by Magistrate Price.

When arrested at Ridge avenue and School street, he was carrying a pocket watch, a pair of glasses, and a pair of shoes.

HAGAMAN AGAIN STOPS GUNNERS LICENSE BILL

BRIDGE BILL WAS PASSED OVER GOVERNOR'S VETO IN SENATE; NOW IN ASSEMBLY. OTHER LEGISLATIVE NOTES

Senator Harry T. Hagaman again stopped the passage of the bill to increase the gunners' license fee over tremendous opposition and his speeches in the defense of the gunners and fishermen of Ocean County brought forth many favorable comments in the newspapers of New Jersey and Philadelphia. This bill has caused many sensational debates in the Senate and it is thought that it will not be brought out again this year.

Pass Bridge Bill Over Veto
Mr. Hagaman has also passed the bill to take over the Toll Bridges over the Governor's veto and it is now in the Assembly where Assemblyman Cranmer is trying to put it through. Owing to a political tie-up between the Senate and Assembly on some political fights this bill with several others is being held up.

One of the reasons given is that the senate on Monday night failed to confirm the reappointment of Thomas F. Martin as secretary of state and the house Republicans could not muster the necessary 31 votes to pass the bill transferring the motor vehicle department from Secretary of State Martin to the office of State Comptroller Bugbee, which would take the department from the Democrats and give it to the Republicans.

The two departments, therefore—the office of the secretary of state and that of the motor vehicle commissioner will remain closed until this is settled.

The fate of the motor vehicle transfer bill or the "ripper" measure, as it is now known, seems to be sealed. It is said to lack six Republican votes, and without thirty-one out of the thirty-three votes in the house it is dead.

The situation caused a war between the house and senate. The senate refused to consider any more house bills until the transfer bill was passed by the house and that body retaliated by declining to pass any senate bills until the embargo in the senate was lifted. The two houses, are therefore, deadlocked, but it is expected that it will be broken when they resume their sessions.

Shall Tuckerton Remain Dark?

This question seems to be up to our citizens. The matter has been left to the Mayor and Council but nothing has been done and that body is in a deadlock, and our pretty town is the goat.

The summer season is fast approaching when many visitors come here and to have the town in darkness will be a reproach to the people and will give it a name that will take years to live down.

Members of the Civic Club and other citizens of the town are invited to attend the Council tonight. Let us hope that some action can be taken whereby our streets can be lighted.

How to Test Eggs

An incandescent lamp, a lantern, an incandescent bulb, or a flash light may be used. Any box large enough to hold the lamp, set on end, can be used for a case. Besides the hole in the side opposite the light there should be a hole in the top end; otherwise, the heat from the light would fire the box. A tester chimney such as is used on a lamp for testing eggs in incubation may be used for candling.

For convenience the light should be placed on a table or shelf. The eggs to be tested should be placed at one side of the light while on the opposite side receptacles for the good and bad eggs should be provided. Each egg should be examined alone by holding it, large end up, close to the light. A

In Spring a Railroad Official's Fancies Turn Lightly to Hundred Thousand Dollar Salaries

Following is a list of the princely salaries that were paid railroad heads in this country before the roads were taken over by the government Under Federal control salaries of operating officers were reduced at the same time that wages were raised. There is some speculation as to whether or not, now that the roads are returned to private control, these salaries will be restored.

Ditching Made

Ditch contractors and farmers in the southern peninsula of Michigan are meeting at all problems that come to the land-owners on the low-lying parts of the State, that of ditching is the most difficult.

In connection with H. L. Ostrander of LeGrand, Michigan, I made a study of this problem. We decided to ditch with dynamite.

Ostrander was advised by explosive manufacturers to purchase straight dynamite to purchase per cent straight dynamite work, since in using this moisture dynamite, it is not as use more than one cap in a yardage of ditch. This method called the propagated method work only in very moist, wet covered soil. Since much of this condition, this method is best in muck soils.

The ditch which Ostrander was about 30 rods in length through the worst strip of swamp infested wet land saw. The neighbors were reluctant about questioning when he talked of blasting through this swamp.

The line of the ditch was so as to straighten the old

As the Editor Sees It

Keep Up the Back Yard Garden

Agriculture is the hub around which the wheel of industry revolves, and with the farmers producing smaller crops than usual there would seem to be small reason to expect any decrease in the cost of living. The back yard garden can be made a bridge to span the gulf that lies between need and wherewithal to obtain those needs; and as a means of making both ends meet as well as a means of obtaining enjoyment, the back yard garden is well worth a portion of the spare time of the average individual.

Restrain the Net Men

Assemblyman Blackwell, of this county, has introduced a bill making it "unlawful to build or place any fish pond, or ponds, or pound nets for the taking of fish, in the Atlantic Ocean bordering on the coast of New Jersey, or in any of the tide waters of the State, at a distance of less than one and one-half miles from any inlet." While the language appears to be a trifle confused, the purpose of the bill is explicit, and should appeal to the Legislature.

It is said that there is almost a continuous line of pound nets from Sandy Hook to Cape May. No opportunity is afforded to the food fish to enter Barnegat, Egg Harbor, Baritan and other bays, and the sport of the line fishermen has been almost entirely destroyed and the market supply of fish greatly reduced.

During the summer season the New Jersey bays ought to be quite as popular as are the fishing grounds of Maine, Michigan, Florida or the Adirondack region. They are conveniently located for a population of at least 10,000,000. That thousands of visitors are not attracted to the fishing villages along the shore is due to the neglect of the Legislature to consider the interests of the people rather than those of the fish Trust.

The fight between the people and the Trust has been going on for more than a quarter of a century, and while the legislators are willing that more than \$100,000 shall be spent each year in hatching and protecting fish, and fresh-water streams and ponds, and suitable cans of game birds and anti-

Y. W. C. A. NOTES
A council meeting of the Y. W. C. A. of Ocean County was held at Barnegat, on Monday, March 29. Representatives were present from Lakewood, Barnegat, Toms River, and West Creek. This Council is made up of women who are interested in the work from each of the towns where work is going on. Owing to unfavorable conditions, the other towns could not be represented. Mrs. Eunice Bergen, of Lakewood, is the chairman of this council and Mrs. William Kidd is Treasurer. Miss Sarah P. Cox, of West Creek and Miss Ida Robinson, of Toms River, are the chairmen of the Finance and Publicity committees. The Barnegat members of the Council, with some help from the other members of the Barnegat committee served lunch for the council so that an all day meeting could be held.

In commenting upon the conviction of Michigan Senator Newberry, of United States, for criminal conspiracy and debauchery of the ballot, the State Gazette says we would not "have to get outside of New Jersey this spring. During the summer it is hoped that some more general work may be done which will reach more girls in more places. The Association will not have a summer camp in the county this year but all girls who wish to have a week or two of camp experience will be welcomed at the camp in Clayton, Gloucester county, N. J. This camp is situated on a lake in Clayton which is on the main route from Camden to Atlantic City. The train service is good and the rates are reasonable. Preferred riding to Washington, N. J. All girls of the county may be eligible if they will pay their dues to the local Association. These are fifty cents for girls under eighteen and one dollar for those over.
